COMMUNITY GROUP DISCUSSION QUESTIONS

- **ICEBREAKER:** What was the worst Christmas gift you've ever received?
- **Understanding Joy:** In the sermon, we heard the difference between happiness and joy, emphasizing that joy is a focus, not just a feeling. How can we cultivate a deeper, more consistent joy in our lives, especially during challenging times?
- **Responding to God's Salvation:** The psalmist calls us to sing joyfully because of God's salvation. How does reflecting on the salvation we have through Jesus Christ impact your personal response to worship, both in your private life and within the church?
- **The Rhythm of Worship:** The sermon highlighted different aspects of singing. Which of these aspects of worship do you struggle with most, and how might you grow in these areas?
- **The Reach of Joy:** Psalm 98 shows that all of creation joins in praising God. How does knowing that our joy and praise can have a ripple effect in the world around us encourage you to share your joy with others, especially those who may not yet know the Savior?
